## ASK MINERS TO SPEED OUTPUT

"Extend and speed up the home production of all war minerals and thus help relieve Uncle Sam's shipping troubles," urges Secretary of the Interior Lane in an appeal to American miners.

"Two million tons annually of these minerals are imported and their immediate development at home will go far towards winning the war by releasing ships for the transportation of men and supplies to France."

To "do its best" toward assisting the prospector to delve into that storehouse of Nature's most wonderful mineralogical works, Death Valley, the Tonopah & Tidewater Railroad has issued and posted at all prospectors' camps on the southern desert the following bulletin.

"Miners and Prospectors" "War conditions have caused a demand for magnesite, manganese, molybdenite, tungsten, chromite, pyrites and other minerals."

"The Tonopah and Tidewater Traffic Department will aid in bringing to the attention of manufacturers and capitalists any desirable undeveloped mineral resources along its line."

"Analysis of specimens will be made free of charge, provided samples justify the expense."

"Communications should be addressed to Traffic Department, Tonopah and Tidewater R. R., 1014 Central Bldg., Los Angeles, Cal."

The program of the food administration at present in Nevada is as follows: Every breakfast wheatless. Every meal on Monday and Wednesday wheatless. Every Tuesday, porkless. Sugar allowance three pounds per person per month.

In this state we are requested to urge the use of beef and mutton every day and the conserving of our breadstuffs in every conceivable way. With an abundant supply of meat, potatoes and other vegetables we should be glad to get along with practically no bread.

Your co-operation in the adherence to the above program request is earnestly asked for.

THOS. LINDSAY,  
County Food Administrator.

## GOOD MATCH SEEN AT THE AIRDOME

Henry Berne defeated Victor Ajax in the Greco-Roman Jiu Jitsu wrestling match at the Airdome last night by taking two falls out of three in a very short period. Berne won the first fall by a back-strangle hold in 7½ minutes. Ajax threw his opponent by the same hold in 5½ minutes and Berne took the third fall in 45 seconds by an arm lock. The preliminary was won by Tony Barrage against Charlie Pine of Goldfield who has issued a challenge for a return match, \$100 side bet, no holds barred. A large crowd witnessed the contests.

## GETS GOOD NEWS ABOUT HUSBAND

Mrs. Travis Lynch, the wife of Travis Lynch, who was injured by a fall from scaffolding at the Extension mill several months ago, received word today from Dr. Watkins at San Francisco to the effect that Mr. Lynch is progressing nicely. He is at the Hahnemann hospital in San Francisco and Dr. Watkins stated in his letter that after a brace had been made for Mr. Lynch he would be able to walk when he left the hospital.

## NOT ASKING FOR COST OF CLOTHING

In making your selection of articles of clothing that can be spared from your household for the relief of the people of France and Belgium, remember it is surplus clothing that is asked for, not necessarily cast-off clothing. Anything you can spare without too great a sacrifice to your self should be sent. This relief work is authorized by the Red Cross and is carried out by the Belgian Relief Commission, which is a neutral organization and therefore the only one permitted in the occupied territory.

Take what you have to the store-room next to the Recreation Parlors before Monday night or call Red Cross headquarters and some one will come and get your donation.

## ATHLETES TO MEET AT THE AIRDOME

Watch the crowd going to the Airdome Wednesday evening to the Junior Red Cross entertainment! Everybody in Tonopah knows that when the Junior Red Cross does anything they do it right. Good clean athletics and a jolly time for everybody, that's what they offer for Wednesday evening.

The famous Junior Red Cross team of girls will play basketball with a picked team of men. Each side says they are going to win, sure! That's impossible, of course. It will be interesting on Wednesday evening to see which one is telling the truth.

Then the West Enders and the T. & G. Roadrunners are going to enter the arena with a basketball and fight to a finish. To hear them talk, a bloody battle filled with frightful carnage will take place. There is no doubt that it will be some scrap, alright.

The reason for all this is that the Junior Red Cross see it as their duty to jolly the old town along once in a while and cheer Tonopah up with a riotously youthful good time—and besides, they need some money to buy materials for their Red Cross work so they take this way to earn it. Come along, everybody, and help them!

## HENRY SUMMARIZES PACKER EVIDENCE

(By Associated Press.) KANSAS CITY, March 23.—When yesterday's session of the Federal Trade commission's investigation of the meat packing industry in the southwest was concluded, Francis J. Henry, special counsel for the commission, conducting the hearings, said evidence had been presented to show:

That until a few years ago, or "until Morris & Company of Chicago, obtained control of the Kansas City Stockyards Company," the so-called "big five" packing companies had employed an agent known as a "train reporter" to obtain for them surreptitiously lists of stock sent from here to other markets by dissatisfied shippers, the lists not being accessible to commission men or other packers.

That the poultry and egg market in a large section of the middle west is controlled by Armour & Company of Chicago through the Aaron Poultry and Egg Company of Kansas City in which the Armour company was declared to own stock.

That Morris & Company of Chicago control the Kansas City Stockyards Company, although lists of stockholders show them owning only twenty-six shares in the company.

## GAUGES DEFECTIVE; ALIENS ARE JAILED

## AMUSEMENTS

## AT THE BUTLER

Harold Lockwood, everybody's favorite, has been in romantic drama, melodrama and farce, and in his latest play, "The Square Deceiver," which will be shown at the Butler this evening, we find him playing a comedy role. True—there are impressive dramatic moments in which Mr. Lockwood figures in "The Square Deceiver," but for the most part his role of Billy Van Dyke is a comedy character—not the broad kind, but of the light and breezy variety. "The Square Deceiver" is described by the author of the novel "Love Me For Myself Alone," from which the photoplay was adapted, as a joyous comedy of youth and love. Billy Van Dyke, the principal character, is a multi-millionaire society man, who, in order to learn if his "dream girl" loves him for himself alone, poses as a chauffeur. By his actions he upsets the carefully laid plans of one particularly designing mother and thrusts himself into a whirl of surprising action. The author of this story, Francis Perry Elliott, is the one who also wrote "The Haunted Jajamas," which made such a hit here some time ago, so you can look for a lot of fun and amusement in this picture. This is not all of the program, however, as you will also be treated to a Mack Sennett two-reel comedy, entitled "That Night," featuring Charles Murray and beautiful Mary Thurman, making a seven-reel program which is hard to equal anywhere.

Tomorrow the popular little star, Viola Dana, in "Aladdin's Other Lamp," and Pearl White, in "The Fatal Ring," which is fast approaching its thrilling and exciting climax.
